

Dec 5th - 8th

Dulles State Office Building • Washington St., Watertown

Gala Event • Sugarplum Ball • Public Viewing

Each year American Kang Duk Won helps the children of the community by participating in the Annual Festival of Trees. Our job is to set the trees up and then, a week later, to wrap them up.

The event raises \$60,00.00 or more each year. This money goes to the Samaritan Hospital to use strictly for children's services. Some also goes to the Family YMCA for programs for children who are in need. American Kang Duk Won has always been involved in the community and this is certainly a great way to make a difference, especially at Christmas. Working on the Festival of Trees is our way of giving a Christmas gift to the children of the community.

All students are asked to help with the setting up and wrapping of the trees. In previous years we have been finished in an hour. But that can only happen with enough volunteers. Please consider giving just a few hours of your time this Christmas season and participate. It's fun and a good way to get in the Christmas spirit.

Set-Up is Sunday, December 1, 2019 at 2:00 PM at the State Office Building in Watertown.

Wrap-Up is Sunday, December 8, 2019, at 2:30 PM.

Believe me, just seeing the trees all decorated is worth the time. Talk to your instructor or call the office at 315 788-8402.

**Thanks for helping,
Master Lawlor**
